

BOARD URGED TO ORDER NEW PAVING

Property Owners May Build Strip on Michigan St. If Petition is Denied.

Petitioners in favor of the new asphalt concrete pavement on S. Michigan st., from Fairview av. to Dennoyer av., have decided to have a narrow strip of the road paved in the event that they fail to get their \$5 per cent petition before the board of public works next Wednesday.

Favorable petitioners maintain that the road is in an impassable condition and if the larger property holders do not want a permanent pavement at the present time a temporary one will be built. The action of property owners was taken following a fire at Dennoyer av. and Michigan st., Tuesday night. Several pieces of fire apparatus were stalled in the sand and numerous automobiles.

Business men of the city have become interested in the project and have a favorable report from the state highway commission that the county road will be connected with the city pavement providing the strip to Dennoyer av. is paved.

The board of public works has issued a preliminary order for the pavement and the final award is scheduled to be made next Wednesday.

MICHIGAN DEMANDS USE OF OWN FLOUR

Millers Say State Product Ignored—To Test Bread Qualities.

LANSING, Mich., Sept. 29.—The state administrative board yesterday took up the question whether Michigan wheat makes satisfactory bread flour. The matter was brought to the board's attention by the Michigan Millers' association, which complained that the purchasing department is buying only western flour for state institutions.

Testimony was heard on both sides of the question, and the board finally decided to settle the matter for itself by supervising some experimental baking at the reformatory at Ionia and the industrial school for boys in Lansing.

Results will be done by a chemist furnished by the millers' association.

Officials of the Lawrence Baking company, Lansing, testified that no large bakeries use winter wheat flour for bread making, spring wheat flour from the west and northwest being universally preferred. He said housewives are able to use the Michigan flour and make better bread than the bakeries turn out, but that such results can be accomplished only on a small scale. Yeast works too rapidly in Michigan flour, he said, to permit its use in quantity production.

Local Kiwanis Members Attend State Convention

About 30 Kiwanis members left South Bend Thursday noon for the state convention of Kiwanians at Kokomo, which makes a representation of practically 50 Kiwanis members from this city at the session. It was announced at the noon-day luncheon of the Kiwanis club held Thursday at the Oliver.

Fourteen members left for Kokomo yesterday in automobiles and several other motor parties started this morning. Every effort will be made at the Kokomo convention to secure the holding of the 1922 convention of Kiwanians in South Bend.

Rev. U. G. Leazenby of Chile, who is attending the Methodist conference here, discussed South American trade possibilities at the luncheon this noon.

South Bend representatives at the state conference will return Saturday morning, it was said.

Bartender to Face Court

Oct. 1 on Liquor Charge

Arrested Wednesday, charged with the unlawful possession of intoxicating liquor, Frank Buczkiewicz, bartender at 1305 Grace st., will face Judge Omacht in city court Oct. 1. The case was set for that date.

The arrest followed a raid on the establishment by Prohibition Enforcement Agent Winther. Recently several raids have been conducted in the city by Winther, but Wednesday marked the first successful seizure where "moonshine" liquor was obtained.

Rheumatism Due To Waste Products In The Blood

For Genuine Relief Your Blood Must Be Purified.

As the blood circulates, it has two functions to perform. First: to carry nourishment to all parts of the body. Second: to take up the waste products and cast them out through the proper channels.

When waste products accumulate in the system, they are a menace to life. They cause a lowered vitality, many forms of skin disorders and rheumatism.

There is no disease more painful; nor a disease that will lead to as much serious trouble as rheumatism. Genuine relief can be had only by correcting the basic trouble—waste products.

Thousands and thousands of men and women during the past 50 years have cleared their blood of waste products with S. S. S. It is the ideal remedy for rheumatism, because it removes the poisonous waste matter which is causing the trouble. There are no bad after effects and the result is wonderful. Begin taking S. S. S. today and write for 56 page illustrated booklet, "Facts About the Blood"—free.

New Furniture at the Lowest Prices in Years

To say that furniture prices are clear down to pre-war prices is hardly going far enough. In many cases they have dropped below normal. Anyone who understands economic conditions will therefore realize that this is positively the best time in years to buy furniture. Prices will not stay below normal for any length of time and inasmuch as the furniture industry was one of the very first to take their losses and get prices back to low levels, it will be the first industry in which prices will stabilize. In a great many cases manufacturers have thrown their stocks on the market regardless of cost. Such bargains are getting fewer and fewer and just as soon as the last of this liquidating has taken place you will see a decided stiffening in furniture prices. We therefore urge you to buy now if you want to buy at the lowest possible prices.

Imagine! Complete 3-Piece Tapestry Suites as Low as \$185
